BENEFITS OF MEMBERSHIP

Supporting NHS charities to connect,
learn and grow, delivering benefits to patients,
staff and communities across the UK

We are the national charity united for better healthcare

Our membership network represents all NHS charities based with every Trust and Health Board across the UK. This includes charities based in hospitals, mental health, community and ambulance services.

At NHS Charities Together, we support NHS charities to reach their individual goals, to grow and learn together, and to deliver impact, as well as gathering around issues affecting the sector
