

STAGE 2 (COMMUNITY PARTNERSHIPS) LEAD CHARITIES

These are the 68 member charities that led on the convening of community partnerships that delivered more than 325 community projects, helping to tackle the wider determinants of ill health and prevent hospital admissions, taking pressure off the health service.

Their role includes liaison with other member charities within their regional patch and other strategic partners, identifying funding priorities based on the needs of the region, and supporting NHS charity and VCS relationships, as well project management and potentially the ongoing funding of successful projects.
